

Aminata Bah

Architecture / 4th year

aminatabah01012018@icloud.com

(417) 450-8758

Motivated architecture student with a strong passion for sustainable design and innovative solutions. Eager to apply my technical skills in Revit, twinmotion and Adobe Creative Suite, while gaining practical experience in project development and collaborative teamwork. Seeking an internship opportunity to contribute to inspiring architectural projects and further develop my design and problem-solving abilities

EXPERIENCE

Amazon fulfillment center - Present

- Received training in operating several equipments and machines on site
- Strengthened team collaboration skills

Construction

- Received the OSHA training
- Learned and practiced basic construction work on site

The braider
